Children's Easter Totebag (Ages 6-12)

Date and Time: Tuesday, April 1 10:00 am - 12:00 pm

Address: SPL Makerspace, 1 Bridge Street, Lakefield

Family fun in the SPL Makerspace where children will create an Easter tote.

Children will choose a design at the start of the program then observe how the heat press sublimates the design onto the tote bag. This will create a colouring page like design on the bag that children will then paint! Open to children ages 6-12. Children must attend with an adult. This can be a messy program and paint will **NOT** come out of clothing. Please dress in "paint clothes".

Register online under SPL Makerspace.
